English Goes Global

AP Human Geography · Unit 3 · One stimulus (like Question 2) · 7 points · Student handout · GeoArcade FRQ Tutor

Name _____ Date _____ Period _____

Directions: Answer all parts of the question. Respond in complete sentences; an outline or bulleted list is not acceptable. Label each part (A, B, C...). For Describe and Explain parts, write it out with **T1-** (your reason in general words), **E2-** (the specific proof), and **A3-** (why it matters).

The English language is spoken in many countries, but at very different rates. India and China each have more than 1.3 billion people. India has more English speakers than China, but the number of English speakers is growing in both countries.

Number of English Speakers in Selected Countries, 2018 (population above age five)

Country	Number of English speakers	Percent of population who speak English
China	10 million	less than 1%
India	125 million	12%
Netherlands	15 million	90%
Nigeria	79 million	53%
Philippines	92 million	95%
Sweden	8 million	86%
United Kingdom	60 million	98%
United States	296 million	96%

Source: Ethnologue. Remember the class directions: label each part, and write Describe and Explain parts as T1- (your reason in general words), E2- (the specific proof), A3- (why it matters).

A. Describe ONE historical reason for India's current number of English speakers. DESCRIBE

T1- _____

_____
